“Celebrating Life’s Experiences”

Dear Friend,

Thank you for choosing Burnam & Son Mortuary.

This General Price List describes a wide variety of services we can provide for you. You may select services from an itemized listing, or you may prefer the convenience and cost saving of our packaged service options.

Losing someone you love is one of life’s most difficult experiences. A personalized, meaningful funeral service is an experience of immense value to the family and friends. It helps us as we come to terms with loss; it can provide comfort from the strength of our religious beliefs or cultural tradition and the support of family and friends, and it provides a family and a community a special way of saying “this person mattered.”

We believe we best serve you by listening carefully to your needs and wishes, and providing a wide range of options, ideas and suggestions from which you can make decisions just right for you.

Through the years, we have helped thousands of families create a “farewell” that is meaningful and memorable —taking the first steps on the pathway to healing from a loss.

Whether you are making arrangements now or thoughtfully planning for the future, you will find our staff to be kind, knowledgeable and compassionate, and ready to make this time a little easier for you.

Thank you for entrusting your care to us.

PAYMENT POLICY

The loss of a loved one is a devastating human experience. It is frequently traumatic and can seriously impact judgment. A recognition and meaningful celebration of that life may help to meet your individual needs. Our directors will assist you in arranging an appropriate service according to your needs and desire.

It is also important to be realistic with respect to funeral expenditures. We do not want a family to spend more than they are able, nor to get less than they would like. It is important that arrangements be in keeping with a family's wishes and budget.

Provisions for payment are due at time of arrangements. *To avoid any possibility of misunderstanding or embarrassment and for your convenience, we accept the following methods of payment:*

*Cash – Check – Debit Card
Visa – MasterCard
Discover – Diners Club – American Express
Insurance Assignment of a verifiable policy
Advance payment by forwarding or receiving funeral home
Pre-Arrangement*

Being a small business and the uncertainty regarding estate payments, we are not able to file against estates for payment of our fees.

We sincerely appreciate your trust and confidence in us and we will help in every way we can.

Thank-You for choosing Burnam & Son Mortuary

Our Service Guarantee

We are committed to supporting your family during their grief, recognizing that all grief is personal to each individual. Finally, if you are not satisfied with any of our services or facilities, we will reduce or eliminate that charge to you.

Cremation Packages

When Words are inadequate, have a ceremony.

Dr. Alan Wolfelt, grief educator & author

Why Should Burnam & Son Assist with your Cremation Memorial Service?

The survivors usually have so many things to cope with that our presence removes what could otherwise be a large burden to organize and oversee something so important. Though friends or church members may offer to assist, they don't know the many intricacies that are involved in staging a meaningful memorial ceremony. Our professional directors will receive flowers that are sent to the funeral home, church or other facility. We compile the duplicate flower cards (or make duplicates when the florist doesn't provide them) to assist you later in writing acknowledgements. We prepare a typed summary for clergy listing various details that pertain to the deceased and survivors as well as the ceremony. We arrive an hour early and attractively display the flowers in accordance with religious customs and clergy preferences. We bring, display, or otherwise care for the cremated remains as you so desire. We reserve and assist with seating. We setup memorial registers for signatures, greet guests as they enter, guide them as needed and offer printed materials such as memorial folders. We provide memory boards to the family for special photos and bring our artist easel to the ceremony for display of those boards. We coordinate with musicians and clergy and prepare honorarium checks. During the ceremony we are able to assist with the playing of pre-recorded music. At the close, we usher the survivors and others. We then transfer and display flowers, memory boards, and mementos to the reception or as you otherwise direct us.

Our Guarantee: We are so certain that you will agree it is a good decision to engage our services in conducting the memorial ceremony that we will remove the fee if you are dissatisfied in any way.
