“ To Roger and Sheila Duncan and the Huskey-Bibb Family:
Sorry to hear of your loss. We didn't know her personally, but in viewing the video tribute and the obituary, she was a beautiful spirit. God has called her home to a more beautiful place that surpasses all peace and understanding. Be strong in that she lived a life to know God, and keep Him the center of her life. In love and sympathy,
~Aunt Thelma and Cousin Wilhemina.

“ Although no words can really help to ease the loss you bear, just know that you are very close in my every thought and prayer. I am deeply saddened by the sudden passing of Charlotte. I will cherish the time when her church came to Mt. Zion and she lead a song: that was just 2 weeks ago. She sang that song soooooo beautifully that I , along with several others in the congregation, stood up on our feet and praised God with her. Furthermore, I'm proud to have known such a kind, warm, and spiritual person with such an infectious smile: I can't remember a time when I would see her without a smile on her face. I truly believe that that smile was so easy for her to have because deep down in her soul she had the love of God in her heart.
Dear Family: Although it's difficult today to see beyond the sorrow, May looking back in memory help comfort you tomorrow. I am grateful to have known Charlotte and I will always remember her as the kind, warm, and spiritual person she was. I am so sorry for your loss. My thoughts and prayers are with you all now and always.
