“ God gained a beautiful angel! She was the sweetest, kindest person and would help anyone! I was blessed to be apart of her life for 27 years. She loved her family and would always get tickled when I would tell her the cute things her great- grandson Weston did. The memories of sitting on the couch watching Lifetime, talking and just spending time with mom, will always put a smile on my face. I will miss her laugh and her bossing Lonnie around lol! I will think of mom often and cherish my memories of her

“ Elizabeth Jeanne Moore (Pearl) was my sister-in-law through thick and thin! She was also my friend! I told her once, you and your first husband got divorced but we didn't! That's the way I have always thought of her, she took my whole family into her home when we first moved to Indiana, and babysat for my kids when I got a job. I will always remember the great times we had together, even when she rear-ended me on our way the the pond to go fishing, the police laughed when they found out both of our last names were Norris, and said they bet 2 brothers were gonna be upset! We had some great times at Ma Ma and PaPa Norris's house. Will think of Mike and Mark often, love you guys with all my heart! Sandra Norris

“ Dear Moore Family,

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.

Respectfully,
