“ I first met Jewell at the Social Security Office in Bowling Green KY. Little did I know then (1974), how special our friendship would become. She was a wonderful teacher, bad speller, and a very unique individual. We shared moments I will treasure for my lifetime. She was given a name at birth that signifies exactly what she was.....I will not say goodbye.

While this loss of a great woman, mother, and friend to many is tragic, continue to look to God for strength to guide you through the process of healing. Jewell's caring "Delta" spirit will be sorely missed...but find comfort in knowing that she's in a better place.

Sincerely,
