Kira, & Family,

As you know Alicia held a very special place in my heart.. I shall never forget her kindness to me and how she took Me, and my two children and made sure that the things we needed at the time of need were provided.. I know she can't see these Roses.. But deep in my little heart I really feel like she can see thru the eyes of God who sets high above in heaven where she is now and is at peace. I could never say Thank You enough then and surely not now.. but just know that those memories I will always hold close and cherish until we meet once again. My daily prayers are with each of you that in the days ahead God will give you more Peace, Comfort, & Strength but until then you know there's friends that care and are here if you need them.. Not just spoken words but mint from the heart God Bless
