“ Benita and I have known each other for many years. Over the years we lost contact. Luckily that changed two and a half years ago! We picked up where we left off talking about the good old days and people that we dealt with. When I heard of her passing, I was deeply saddened for I have lost someone that I care a lot about. I will miss her very much especially her wonderful hugs! Benita knew and loved the Lord. Rest on in Heaven in peace. With heartfelt sympathy, Mary L. Bailey

“ I met Benita a few years ago at her place of work. I noticed how kindly she spoke to customers, so I approached her and told her that I had observed her thoughtful interactions with people. From that conversation we immediately formed a bond and have been fast friends ever since. She had a beautiful countenance and a beautiful soul. I was blessed to have her in my life as a friend and sister. With great faith she endured a lot of pain and suffering, while being a source of love and encouragement to many. I loved Benita, and I will always miss her. Yet I rejoice that she is now resting with Jesus, awaiting His return and the glorious resurrection!

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.

I have known and loved Benita for many years. We shared many smiles and tears together. We have helped each other along the way. Her love for God was a guiding light to so many! She fought so very hard. I will miss my sweet friend, but as we have talked about for a long time-she is home with her Father and reunited with her mother. See you my Christian sister on the other side ❤️🙏
