“ *The 17th we celebrated your birthday auntie, it so lonely here without you. You are true inspiration beside my mom that I truly loved. Your were my go to lady for information, comforted on day I was unsure and my sunshine on cloudy days. How much do I miss you??? every second, every day, week, month and year that passes by. So rest in peace and even though the years may come and go and my sandy hair turn grey and my I eyes sight go dim. I will look to the heavens for I know you and my mom are waiting their with the rest of the family wait for me to come home.*
