“ *I remember Billy as a student in my class from Bowling Green Junior High School where he was so friendly and personable and well liked by all. He had tons of friends in that class as he was the greatest of conversationalists! (Always knew just what to say and when!)In addition, he kept abreast of the happenings and news in his surroundings. Often I managed to bump into during his returns to Bowling Green and he helped me profusely when I was compiling information for my book on "Growing up Black in Bowling Green, Kentucky."*

Needless to say that because of our many and frequent online conversations,he and his military remembrances are listed.Billy shall always be in my heartfelt thoughts.

My deepest condolences to his family left behind.
