I grew up around Bobbie Dawn and over the past year or so we have played phone tag. I so wanted to see her as she called me out of the blue one day. I'm so sorry to see her go but so happy she is now at peace. Rest in peace my friend. My prayers are with your family.

“ *Dear Johnson Family,*

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.

Respectfully,
