I appreciate all the laughs and the good times. I will miss you. Much love to your family, my extended family. Love you.*

“ *Dear Snowden Family,*

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.

Respectfully,
