“ *I'm so honored that I had the opportunity to work with Bryant I met Bryant a couple years ago being a part of the United way program here at the plant. It was really a pleasure sitting down with Bryant the last two year and I was looking forward to sitting down with him this year Bryant was a True Believer in donating to United Way. Also, in the parking lot and I tell you it was not one day that went by that if I got to work early or he would pass me and he would always wave at me or always say good morning. I would speak positive encouraging words in his life after his wife passed 4 months ago. I'm so saddened by this he was such a outgoing Godly man. He kept to himself but I know he loved the Lord. I just would like to extend my empathy. I'm so hurt by this I just pray that God continue to be with the kids and family.*

“ Dear Foster Family,

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.

Respectfully,
