“ I'm not sure what happened to the comment I made but it wasn't accepted. Anyway, that's not the point. Candice, it was unfair to all of us that you left the way you did. I've cried way more than u would have wanted me to. I can hear it now, Joe stop that silly stuff. Y'all should be celebrating. Sis, that's easier said than done. It's just unfair to us and we didn't get to say bye but with all of us at your side, we didn't need to because you knew. Look in on my girls sometimes and protect them where I can't. Tell them it's ok to talk to somebody. You know what I mean from all those talks. You have my word I'll fight even harder for them and stay by Cierra and Damani side as long as life lets me. I'm trying to be strong but it's so difficult. I'm sure you know but they put aside their differences for you and I want you to know that I'm very proud of them for doing so. I've told them that. Candice, please oh please give mom and dad a hug for me. I love you so much sis!! Visit us sometimes after you're settled in and have conversation with mom and Dad. I love you Candice. Thank you for everything you have done for me and the girls. I'm gonna miss our random cackles. The main point is that you're not hurting anymore and you're safe and whole again. Get your sleep on sis and walk those golden roads!! #foryou #candicestrong
