“ *Miss Me, But Let Me Go*
Author Unknown

*When I come to the end of the road,
and the sun has set for me.
I want no rites in a gloom-filled room.
Why cry for a soul set free?
Miss me a little; ½but not too long,
and not with your head bowed low.
Remember the love that was once shared.
Miss me, but let me go.*

*For this is a journey we all must take, and each must go alone.
It's all a part of the master's plan, a step on the road to home.
When you are lonely and sick of heart, go to the friends we know.
Bear your sorrow in good deeds. Miss me, but let me go.*

*Corrina, I thought of Jena when I read this!
She knew! She knew!
You can rejoice in that fact alone!*

*All our love to the family!##imported-begin##Leaman & Denise

“ *Aunt Jena,*
*Just thinking back on all the fun time that we have had together
brings tears to my eyes. All the jokes that we played on each other
and the times that you had me racing to grannys room or thoughts
that I will never forget. I love you and miss you with all my heart.
