“ I only had the privilege of knowing Charles for a short time, but in that time, he made a lasting impression on me. He was one of the kindest, funniest, and most open-minded people I've met. Every conversation with him left me smiling, and he had this way of making everyone feel valued and important. His warmth, humor, and generosity of spirit were truly something special, and I feel lucky to have crossed paths with him. Though he is gone, his kindness and the joy he spread will always be remembered. He will be deeply missed.
