“ *I have known Charolette for a number of years and I must say that
she was one of the nicest, loving and caring person that I have ever
known. We worked together at intervals
in the nursing field where she always showed the caring and loving
side of her with her patients. When I would take my sister or mother
to dialysis and would see her, she always
had a smile and positive outlook. Her presence will greatly be
missed by family, love ones and friends. Birdie Marable*

“ *My heart felt sympathy to the family. I have known Charolette all my life and no matter how much time went between our meetings we would talk as though no time had passed.
Death leaves a heartache no one can heal; Love leaves a memory no one can steal.
Those we love remain with us for love itself lives on.
God be with her husband and children and the Withrow family.*

“ Dear Smith Family,

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.

Respectfully,
