“ It is just now hitting me that such a beautiful Grand Auntie, Aunt Clyde Marie Patterson-Bibbs, is going home to see all the ancestors that have gone on before her. I am sitting here alone in the middle of the Pandemic and can't go home to attend her "Home Going Service" but I can remember all the times I went to visit her when she moved back to Bowling Green, Kentucky. I cried some tears I haven't experienced for a while. The last time I saw her was in Louisville, KY with Aunt Lovada at Cheddar's Restaurant with Tina (Dee), Valerie, and myself. She kept looking at me and when we made eye contact, she would look away. It was like she was saying, "I am watching you." Now, she will be watching over me and the rest of the FAMILY. Thank you Lord for such a wonderful soul. No wonder she was named after our Great Grandmother, Moma Clyde. Thank you Valerie for all you do for the family by preserving the history along with my sister, Anita Kaye Butts.

“ *Clyde (mom) I have always loved you from the very first time I met you. You have always been dear to my heart. Your love, kindness, heart, honesty, hospitality, politeness and most of all the spirit of God that is within you has made me the God fearing woman that I am today and I thank you for that. There was never a time that I felt like a stepchild because you have always embrace me, my sibling and my grandchildren as we were your very own. We are having a hard time coping with losing a angel like you but we understands Gods work. He has put you back in the arms of my dad(Bobby Bibbs) and all I can see now its the love you two shared and laughing at (in my mine) watching the two of you singing and dancing in the front of our God. (TEARS) Rest easy my love.*
