“ What I learned about the loss of a loved one: You will grieve FOREVER!!!! You will NEVER 'get over' the loss of a loved one, especially a child or mother. Yes, you will learn to live with it. Yes, you will heal and you will rebuild yourself around the loss you have suffered. Yes, you will be whole again , but you will NEVER be the same. Nor should you be the same nor would you want to be. Praying for you all. Love you.

“ *Dear Woods-Clark Family,*

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.

Respectfully,

*Carmen, Cedric, Claudia and Kelly
