Your heart, your spirit... beautiful. I am proud of the Christ-like woman you became, the people you touched and the family you raised. You have joined those gone before us and now your beloved joins you. Until we meet again Coley Bear.*

“ Nicole worked under me for many years, and was always the most positive inspirational person. She was always a good friend. No matter if her day was bad she never let it show, she would always tell me “it’s in his hands, and he will take care of it.” If someone was having a bad day Nicole was always there to just let that person know their not alone. After I had a few surgeries Nicole always checked on me, and let me know she was thinking about me and that we needed to stay in touch. She also always responded to my messages! Last week I sent a message to her to just check on her, and let her know I was thinking about her. I didn’t know it would be the last time. Nicole you were a beautiful person inside and out. I prayed for the Lord to continue to watch over your Family, friends, and co workers. You will never be forgotten.

“ Dear Foster Family,

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.

Respectfully,
