

Darryl W Alexander

January 7, 1951 - September 22, 2013

God allowed Darryl Wayne Alexander of Bowling Green to conclude his earthly sprinklings of love, generosity, wisdom and kindness about his path - wherever he went - at the Bowling Green Medical Center on September 22, 2013. Indeed, Darryl (62) passed this way as a recognized entrepreneur, benefactor and generous philanthropist from January 7, 1951 to that last fateful day in late September.

A Bowling Green native and longtime California resident, Darryl was always about giving and was well known for his beneficence to the homeless and poor facilities in California and to various churches and their programs in and around Bowling Green. He had a special inclination to make life for the elderly more appreciated and enjoyable on a personal basis and was often seen delivering fruit, cakes and pies around town to them on a regular basis.

After attending Western Kentucky University and completing his stint as a military policeman for the United States Air Force, it was his relocation to various areas in California with sister Jennifer and nephew Cory that beckoned him to hone his law enforcement, investigative, business and consulting skills into successful entrepreneurship's. Subsequently, he became a state directed Medicaid-fraud investigator who worked out of the California State Attorney General's Office (his nieces and nephews were always awed as to how he could board airplanes with protective weaponry outlined beneath

his suit jacket) as well as a health care consultant and trainer for honest doctors, pharmacists, hospitals, nursing homes and health care clinics. He gained a variety of additional certifications from the state of California Department of Justice, amassed multiple professional licenses, and either built, or gained ownership and operation of Diversified Health Care Consultants, Community Care Licensing Consultants, D.W. Alexander Security Guards Company with approximately 100 armed and unarmed security guards, and after returning to Bowling Green, the D.W. Alexander and Associates Private Investigating and Subpoena Service.

Darryl was the son of the late Corrine Ragland Wilson and the late Lockwood Lewis Alexander. He was predeceased by brother Donald Wayne Alexander. The old television ad "Life. Be in it." certainly applied to the life of Darryl Wayne Alexander.

Survivors include sisters, Barbara Whitfield, Angela Townsend; brother Steve Wilson (Louise), all of Bowling Green; sisters, Mona Johnson and Jennifer Campbell, both of Nashville, TN; special friends, Skip Gatewood and Roy Edwards; and a host of caring relatives and friends.

Funeral services will be 1:00 p.m., Friday, September 27, 2013 at the Eleventh Street Baptist Church located at 1035 Kenton Street, Bowling Green, KY with interment in Fairview Cemetery. Visitation will be from 4:00 p.m.- 8:00 p.m., Thursday, September 26, 2013 at Burnam and Son Mortuary.

Sincerely,

-Your friends at Burnam and Son
