“ I just found out about Dave's passing and am saddened. He arrived Okinawa just after I did back in 1985, we shared the same office, and have been friends ever since. We've seen each other through some very hard times together, worked long and hard hours, and had a lot of fun because we shared the same love of jazz. More than 10 years later, we arrived Guam together at the same time, once again shared the same office and became room mates off base until we went our separate ways for our new assignments. We've stayed in touch over the years, but my heart is broken to learn that he is no longer with us. My condolences to Natalie and the rest of his family.

God Bless,

“ Dear Jefferson Family. My deepest condolences. I am very saddened to hear this news. Praying for you to somehow make sense of this and find comfort moving forward. I have known Dave for many years working with him in Air Force Recruiting Service. A quiet, humble and caring person who I am glad I got to know over the years. He was such a true professional who took great pride in his work. I am sure he carried that pride for his job over to the pride he felt for his family. I know he was a family person by the conversations I had with him. He loved his family passionately. I am very saddened to hear this news. Draw on the strength of your family and friends to help you get through this difficult time. You will have memories that will last a lifetime. He will always be with you in your hearts. He is now in a better place that we all strive to be when our time comes to depart this earth. That is a hard thing to see through the tears we feel now. I pray for you. Move forward one day at a time. God Bless you.

“ *The Little Ship*

I stood watching as the little ship sailed out to sea. The setting sun tinted his white sails with a golden light, and as he disappeared from sight a voice at my side whispered, “He is gone”.

But the sea was a narrow one. On the farther shore a little band of friends had gathered to watch and wait in happy expectation. Suddenly they caught sight of the tiny sail and, at the very moment when my companion had whispered, “He is gone” a glad shout went up in joyous welcome, “Here he comes!”

Rest easy sweet friend.
