“ David and I competed against each other in Football and Track. David was always a competitor who never settle for defeat. He worked hard too better his skills and would not accept anything other than a victory. David was a good man and carried himself in a exemplary manner. I am proud to say he was a friend that I knew. Please accept my deepest sympathy and well wishes to each you of his family. B.B Davis & Family

“ To be absent from the body is to be present with the Lord. Thank you for all of your wise words of encouragement that you gave every single time that I asked you for advice with my son or to have a talk with him. I will miss the times that you would speak publicly, I always told you how I loved to hear you speak because you were extremely well versed. God brought you into our family for a season and seasons change. Rest in peace Dave! You were loved and will be missed.
