“ I was sorry to read about your loss. Donna was still young and I'm sure she had much to live for. The Bible says " time and unexpected events overtake " all of us.(Ecclesiastes 9:11). As a christian, she has a hope to look forward to,(John 11:11-14), here Jesus likened death to sleep. He raised Lazarus from the dead. He cares as much for us, as he did for Lazarus. “ To the family of Donna Daniels I am so sorry that I could not be there today for Donnas home going. But what I do want you to know is that I wish I was there and am sad for not. I love Donna with all my heart and I can still hear her say "You know you look like Lulu right". She was just like family to me. She helped me thru the hard times when I needed a friend when i was grieving and laughed at all our good times and for that I will always be grateful. Donna I love you and rest in peace. And to the family if you need anything I am just a phone call away. I love you Daniels family. I will keep in touch.

“ *Dear Daniels Family,*

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.

Respectfully,
