“ Dear Lewis Family,
I was told today by my father that Earline had passed away, and I wanted all of you to know how much she meant to me and to my family for so many years. She was my second mother. I would tell her things that I would not or could not tell my parents and she understood me and helped me work through my problems as I was growing up. Usually with prayer. I thought of her often over the years and missed having her as a big part of my life. I always loved her and will always love her. May God be with all of you and help you through your time of sadness.

My love to all,
