“ Dear Travis Family,

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.

Respectfully,

“ *Louise and Brother Robert used to wait excitedly every morning for me to get to their house early before school so that I could push them in the swings out back while big sister Deannie (my friend) was getting ready for school. They were just cute little tykes then and not of the age to attend. I enjoyed them so much. Their Mom seemed to enjoy the break as much as they enjoyed the ride. I miss them all. Angela Townsend*
