“ Mrs. Emma braided my hair when I was a little girl. It was so funny because I wiggled and I squirmed. Emma just told me to sit down and let her get done. It made such an impression on me that I always shared the story with my girls about Mrs. Emma when they were little and I brushed their hair. Emma blessed us all! God bless you Jennifer, Jackie and June. Your Mom was a very special woman that loved my family as her own.

“ To June, Jennifer, Jackie and Ricky, You have my deepest sympathy in the loss of your mother. Emma Jean and I were friends for many years. I have fond memories from the time she lived in Alvaton and I lived in Plano. Our children got to know one another and found they were cousins. We kept in touch after I moved away from Bowling Green and exchanged letters over the years. I know she is in a better place and will have no more suffering. I will miss talking on the telephone about our grandchildren and what was going on in our lives. Rest in peach my friend and to her children and grandsons, who she loved dearly, may the Lord keep His loving arms around you and I pray that you all will let your memories soften the sorrow and loss. May the Lord bless and keep you. Mary R. Cole and family.

“ Dear Pennington Family,

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.

Respectfully,
