“ Bea,  
I will miss Richard smile and his calmness in his voice. I always admire the relationship you and Richard had. look back over the years and I would always see you and Richard eat lunch together everyday. There would be days that I would walk for lunch and would see you and Richard walking and talking. You too were so in tune with one another, I could feel the love that you all had from a distance. Bea I know Richard loved you and I know you are going to miss your soulmate. But hold on to that you shall meet again in the New Jerusalem. You and the Children will be in my prayers.
