“ *Anna...I am so sorry to hear about your mama. I'm not sure I will be out and about yet in time to come to the visitation, but wanted you to know that you are in my prayers. May God wrap His loving arms around each of you, hold you close to Him and give you comfort is my prayer for you. And, I'm quite certain that somewhere amongst my mom's pictures is a picture of your mom and my mom together...just don't know where to lay my hands on it right at this moment.*

“ I am blessed to have known Mrs. Marie all of my life and I can honestly say that I never remember a time when she did not have that big beautiful warm smile on her lovely face. As a youngster growing up in Glasgow, at Johnson's Chapel CME Church we always knew that Mrs. Marie was going to be there to encourage us and let us know that everything was going to be alright.

Her quiet nature was rare and beautiful and there will never be another to take her place. God truly blessed us all by sharing her with us.

Family, I would like to extend my sincere condolences to you at this time. Life's mysteries shall continue to unfold but knowing that our loved ones are now with the Heavenly Father can help ease the pain. I will keep you in constant prayer.

“ *Anna, I just wanted to let you know you are in my thoughts and prayers. I lost my own mother several years ago and she is always in my thoughts. It will be the little things that will trigger a memory. The way she made a special dish or the impulse to reach and pick up the phone wanting to tell her something or worse ask a question or how to do something. My one consolation is knowing she is with her Lord and Saviour. That gives me peace. I hope it gives you peace also. Jeanne Wallace Garrett [class of '67]*
