“ *Last night as the clock struck 12am i looked at my phone expecting a call from you. You were always the 1st one to wish me a Happy Birthday. I miss you mom, your smile, your touch, and your words of wisdom. As I look at myself each day in the mirror I see you staring back at me. Each year that I grown older as an adult i realize just how much i have became you my mother. I love you and miss you dearly.*
