“ I just want to thank all the city officials, families, friends, co-workers, and BG football players/staff for attending the home going of my brother Franco Paul Irvin. It warmed my heart immensely to see the amount of wonderful folks come out and celebrate his life. Not only was he a great husband, father, son, he was a great friend and brother to me. Franco expressed to many family members and friends that he looked up to me but one thing he didn't know was that I looked up to him. His dedication to God, family, and work was amazing to me! He gave what he didn't have. He was so full of love and joy. We were so close as kids that I was over-protective of him. I love him, I'll miss him, and he will always be my baby brother. Just keep watching over your family Franco. Just keep smiling, laughing, and telling your jokes. I will never forget the best friend I ever had. Love you, little brother!###imported-begin###Kiku###imported-end##
