“ *This is now years after franks passing. But I just found out that he passed. I worked at the Justice center when Frank was hired. It didn't take us long to be friends and start poking fun and sarcasm at each other. We worked together for several years. Hes a fun friendly face I always think of when I think of the old days when we worked at the new JUSTICE CENTER ( When it was brand new but small before it became the BIG NEW JUSTICE CENTER ). Rest in peace ole friend. Hope you're teasing them in heaven like you did me down on earth!!*

“ Dear Withrow family. I am very sorry to have read of the recent death of Frank. Please accept my sincere condolences. I would like to share something that I have personally found to be very comforting. It is found in the Bible at John 5:28,29 and also Revelation 21:3-5. These verses tell us that soon God is going to bring about a resurrection of our dear loved ones, as well as do away with all the causes we have for suffering, including sickness & death. Knowing this has always comforted me and it is my hope that these thoughts will likewise comfort your family also during this most difficult time in your lives.
