“Granny was the number one person that i could count on. She was always smling no matter how bad she felt. She meant the world to me and when i found out that she passed was the worst thing i had ever felt. She has loved me since the daymy mother and her son (Tyronne) my step-dad said i do. I love you granny and you might be gone but you are never forgotten. I love you.

“One of my favorite memories of Aunt Freddie is when she worked at the Card Mart on Campbell Lane. Hardin and Harrison were elementary age at the time. Each time we go through the door you would here, "Aunt Freddie, where are you?" She would respond, "Here I am" and give them a big hug. Talk about long faces if she wasn't there. She had them spoiled in her own way. :)

Thanks, Aunt Freddie, for ALWAYS having my back. You will not be forgotten.

“ My deepest sympathy to the family of Freddie.
She and I were classmates at High Street. I
have known her and her family all my life.
Fredericka was a sweet and kind person and I

know that the Lord has His loving arms around you giving you
