“ *Grandpa, sometimes I wake up and try to call you then realize your not here. I have been living my life with a piece of my heart missing and I never knew how hard it would be not hearing your voice or seeing your smile. I miss you everyday. What I wouldn't give or do just to have you fuss me out or say "Hey babycake" just one more time.. I get to see you in my dreams but those moments we shared I will cherish forever and I just want you to know how much you are truly missed and loved. Long live Fredrick H Walker, may your legacy forever live on.*
