“ *Growing up I had the opportunity of knowing a few good men in my life. Uncle George was in indeed one of those good men. I remember back in the day when my dad (late Rev. Paul Nichols) would ensure that each summer we would visit our family in KY. The Nichols may not have had the best of everything, but they made the best out what they had. I extend my deepest condolences to my family in KY. From my mouth to God’s ear I am praying for His grace and mercy to comfort you.*

*“ We can't believe Uncle Junior is gone. There are so many memories, and through these memories shall he live in our hearts. Be strong cousins, for you are not alone. "He was a beloved uncle, whose jokes and life experiences he gladly dispensed. He was his own man. It means so much that he knew Tony and our girls. "And flights of angels send thee to thy resting place".*

“ To Helen, Evelyn, Phyllis, Veronica, and George,  
Our heartfelt sympathy in the loss of your father, Mr. Nick. We share a lot of good memories from our days on Brownslock and Main Street, to the adult day care center as we watched our parents in their latter years enjoy their lives as only they could. May God continue to give you peace, understanding, and a sense of knowing that all is well with Mr. Nick. God does not let the tear drop fall without placing a comforting hand to wipe them all away.  
Sincerely,

“ Dear Nichols Family,  
There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.

Respectfully,
