“ *My deepest sympathy to the family of Gladys. She and Ivy and my parents were close friends and we visited each others homes often. May the Lord give you comfort in this time of sadness. I did not know that Edgar had passed. I have not been in contact with any of the family since moving from Bowling Green. I loved to hear Gladys laugh, it was infectious. May she rest in peace.*

“ *I was the little girl who stayed with Ms. Gladys when Reverend was out of town preaching revivals. She taught me so much about being a lady and always made sure I had my favorite snacks. Your quiet dignity and the things you taught me will stay with me for all times. My deepest sympathy to her family.*

“ *Dear Taylor Family,*
There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.

Respectfully,
