“ *My grand father we called Paw Paw was a great man. I remember when I was a kid he was such a huge plush man. I enjoyed later in life going to church with him and my father and just listening to his stories and his thoughts on everything and I will truly miss him. We love and miss you Paw Paw. “ Dear Whitlow Family,

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.

Respectfully,
