*R.I.H. my friend. I could always depend on you for a good laugh and some wise advice. I can hear you now walking in the store and hollering "Dee" you know what I want fix me up. I will miss you dearly. The last time I saw you, you said you were tired but you knew you didn't have long to stay here. You can now rest and suffer no more.*

“ Dear Jewell Family,

*There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.*
