“ It's so sad that we're losing another member of our family so soon again because it is one less person left on earth that makes our family special. Cousin Marie, Your dad passed away with us , especially his loving brother George (my dad) by his side, without any pain and I know that is what you wanted for him, to leave this earth surrounded by loved ones and with dignity. What do you say we get together real soon and eat, talk, and just enjoy life together again just like old times. I am sure that is what your dad would want us to do. I will continue praying for you. I love you cousin. Always know that I am here for you 😍
