“ I was so blessed to be able to take care of Mr James over the years at the hospital. We had the best conversations. His smile would light up a room. It breaks my heart to hear of his passing. He was such a wonder man. Thank you to the family for sharing him with me.

“ Dear Johnson Family,

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.
