“ I was Jerome team leader for a few years. He was a very hard worker, always had a smile and could always make you laugh even when you wanted to cry. I was looking forward to the day he would come back to work. He will truly be missed. God has gained a very special man.

“ Dear Friends and Family:

*Those of us who work at the University in the area that was Jerome's domain have loving memories of him. When I learned of his passing, I posted a remembrance of him on my FaceBook page, and received many responses which I share with you now, in the hope that you will find comfort in the affection of those who saw him as part of our "work family":*

*"He always had a kind and cheery word- his cry "Hey, young lady!" got even the darkest days off to a warm start."*

*"Jerome was a kind man and always had a kind word for everybody no matter what."*

*"Awww. I loved him."*

*"How sad!"*

*"He was a joy."*

*"He used to always catch me sitting in the hallways waiting for class and talk to me awesome guy."*

*"I do hope his family can be located. They need to know how many lives he touched."*

*"He was a master of lifting people's spirits."*

*"I remember him well, Erika. He was so kind to all of us."*

*"Jerome was so kind, so positive and he always would bring a smile to everyone he met. He will be missed."*

*"Jerome was the first person I ever talked to on my very first day of working at WKU. I always looked forward to seeing him. He had*

*such a wonderful positive attitude."*

“ *Dear Brown Family,*

*There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.*

*Respectfully,*
