*To the family of Jerry Hibbitt. I was sadden to hear the news about Jerry. He will be missed dearly. May God comfort you now and always. I enjoyed being around Jerry in our younger years. I will cherish the memories with him in pictures and good times. He was such a gentle hearted person. I will never forget him. I am glad I was able to attend his going away services. I have been away from BG for over 30 years and had not seen him in a long while. God Bless you all. Lovingly, Anita*

*I have nothing but fond memories of Jerry; especially his smile that would light up the room and he gave the best hugs. We became friends my freshman year at WKU and would occasionally hang out together whenever he was in on leave and/or after he had served (Marines). He always treated me with the utmost respect and somehow made me feel safe; watching out for me like a big brother. A true gentleman with a warm heart who will be greatly missed by those who knew and loved him. Now whenever I see sunbeams, I'll think of Jerry's smile shining down on us from heaven.*

*My deepest sympathy goes to his family; I pray that they will find comfort in fond memories and knowing that he is in God's house now.*

“ I remember when I was pregnant with my first child, a girl. Jerry told us don't worry about formula because i got it. So when our second daughter came, he said the same thing I got it. We never had to buy any formula for neither one of them. He loved his nieces Shakara & Lakendra. He is not suffering no more, he is free. May God continue to bless our family. Love you all.

“ *Jerry was one of my close childhood friends. I was such a tomboy and Jerry, Larry and Terry always included me as part of the team. We had so much fun on Cooper court. He always kept us in line as the oldest brother. His mother was such a great woman and always kept those boys clean and looking so cute. Such good memories! I love you Larry and Terry. I will keep you in my prayers.*
