“ *I knew Jerry for a very long time and shall always remember him . He was the most kind hearted person that I ever knew. In fact, I shall always be thankful to God for the friend that he blessed us with. I shall never again see a more happy person than he was. I feel that your loss is a loss to all the people who knew him. Also, He was not just a great singer for the Lord, but he also taught us all to be happy and joyful: Civilization is a place where men rise and fall like the winter wheat. The dawn brings new rays every day yet there are some people who rise every day and bring to life, cherished memories, teachings, and faith that help us sail through this journey We call life. May God bless his soul. My thoughts and prayers are with you all.##imported-begin##YVONNE BRYANT##imported-end##*
