“ From sliding down the stairs on our bellies, playing in the creek,
jumping rope, playing football (tackle) I spent most of my days
outside of school with my brother. He never said that I couldn't go!
As we aged, it only increased our bond! I already miss you. Our last
visit you kept tracing the flowers on my pants. They are now my
favorites;-). I know you're watching over me, from brother to brother

“ *Losing a loved one is something I wouldn't wish on anyone. Now is the time to let your tears flow. Also, Let your sorrows be softened with happy memories of Jessie. I know I have! You see, Growing up around Jessie was immeasurable. His friendly presence on Avon Avenue was a gift to our neighborhood. WRIGHT FAMILY: I know right now it feels like fog casting a veil over your lives, but I want you to know it won't always be that way because the fog will eventually clear and the sun will shine again. Remember, Whenever you need a ray of light, GOD will NEVER be far away. Finally, I pray that his love surrounds you and comforts you through all the pain.*

“ Dear Wright Family,

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.

Respectfully,

*Carmen, Cedric, Claudia and Kelly
