“ *Special people scattered seeds of kindness wherever they go. They are generous and caring, thoughtful and helpful; they are always concerned with the needs of those around them.*

Rarely thinking of themselves, they seldom see beauty their small acts of kindness brings to others. If ever they looked back, they would see a beautiful field of wildflowers that sprang up as they scattered their seeds of caring along the way.

“ Dear Wilson Family,

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.

Respectfully,
