“ I first met Johnny when we were kids at L.C. Curry School in probably the 6th grade and we soon became fast friends. Later we worked together at the old William Talley House in the old mall. For 3 years we spent countless hours together, at work, after work, before work. He was a true brother to me and a close group of friends. We lost track of one another after I went into the service, but I've always held him on my heart. I am so pleased to see he raised a beautiful family, and I am truly sorry to hear of his passing. I take heart, though, in knowing that he has been, and always will be, a part of me. I celebrate his life and his continued presence in the hearts of those who loved him.

With deepest condolences, Dennis "Dangle" Angle

“ Dear Cullom Family,

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.
