“ Wait my friend , I have another good memory of you, as a matter of fact I thought alot of you, but i knew that i was going to be the villian in everyones eyes. Keeping JoJo in mind the whole time, I let things play out, and so i loaded Jo'Jo and her mamma up and went to see chris . We got your fetty ' and we come got you..you said that you cant wait to see all of us.....and yo 50 bones. Big grin for ya bro. I remember a heap of clothes in kendra g'pa garage. I hauled that stuff forever from place to place. I still got that timberland boot and a few shirts. ...i brought you some khaki levis' a few hats and we all ate a DENNY'S..the odds was stacked against our friendship my friend ' and i hated that. I never had hard feelings for you or your family, i always liked running in to you here and there.....i believe in my heart that me and you were cool. You know what was said and done, and as time has unveiled , the only person who was hurt was JoJo, I know mrs.lessa is broken into, and i have two brothers just like Jessica, and i believe that i would unravel if something like this happened to them....like this. You my man, have been sent to love us here on earth, where time was of the essence, and if i would have known i would have reached out, sooner...you jotez mantell beason are and will always be highly regarded in my home, always.....thats the way it is, '.....when we left marion headed for paducah to start your life new, I got in the car and started it and JoJo said , we tant yeve me deddy hea. I told her you was singing ..she wanted to kiss you jotez...she gave you a sticker that day and everytime i saw you, you still had it. It was a mermaid sticker..i just hope that JoJo can someday fill a void in the hearts of the many,many friends that you have...i have only just begun to let the BABY that dont know life without you.what a good man you are. We listen to them tracs together and she loves you , cherishes you and her mamma. She is the spitting image of you. I always say, JoJo got her looks from her daddy, jotez mantell beason....You are loved and missed here. This lady and this baby have a long haul ahead, but u and me have always said , she is good where she is..she is in school and now knows how to write your whole name. She sings and dances. Her favorite song is. BABY, WHY DONT YOU JUST MEET ME IN THE MIDDLE, ,.....jotez, thank God you met me at

that womans office to sign jolyssa teana beasons birth certificate, she will always know you .. just rest my brother, its been a long time since i saw you last, but before you know it, we will meet you in the sky...and kiss her face up like u always done...thank you for making a differnce in this world, and i feel blessed to have watched your videos and wang. You were a positive force, and you are a good dude, with a dream that was bigger than the ocean. I love you jotez , and i will bring this baby girl all the way home to you, we will never let your colors fade,,,you'll remain fresh to def and a superstar....would love for JoJo to have a chance in the lives of your loved ones....our door is open Mrs. Eleesa, jessica, and who ever has a desire to see her..

“ *I remember bringing Jolyssa Beason to see you in jail in marion. It was raining like hell. JoJo had been asleep the whole way there, and my Windows was stuck and wouldnt go up.i had that gold Cadillac from dewalts iremember telling you what a long cold ride home with plastic flapping like a mugg... It was cold and she was wearing a puppy dog necklace and she was glad to see you ole son. I know how much you loved that little beautiful BABY girl, that was clear. You graduated a parenting class that week and earned a two hour visit. She got home that night and waited for your call. She is crazy about you and she knows your a good man..*

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.
