“ Hey mom! It's hard without you here, but I know you're having so much fun catching up with all our loved ones in heaven. You're our beautiful guardian angel now and I'm so blessed to have had 35 amazing years with you! I wish we would have had many more, but God had other plans. Thank you for everything you taught me! I love and miss you more than you know! Until we see each other again, I'll always keep you in my heart!

“ Dear Freiberg Family,

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.

Respectfully,
