“ *There is a saying that cousins are your first best friends and playmates. This is especially true of my relationship with Karla. We grew up in a large extended family in Shake Rag on Park Street. I will cherish all of the memories of softball games, foot races, which she often times beat me, being cheerleaders at sports events, and the fun times we had as kids. I know she has gained a special place in heaven and I will miss her dearly!*

“ Dear Britt Family,

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.

Respectfully,
