“ To my brother,

*Not a day goes by that I don't think about you. Even though we lived miles apart, our conversations made my day. The phone calls, the laughter and the jokes made me realize you were more than just my brother-you were my friend. I wish I had more time with you - more memories to make, more moments to share. Until I see you again your spirit will be with me forever and I will carry your memory like a light in the dark.*

*Rest in peace,  
With all my heart  
Marcus*
