You touched so many lives, in so many ways. I don't think life will be the same for anyone who knew you. So many memories.... so many good times.... I could reminisce and smile through these tears for days. I love you Kuston. Be easy up there and watch out for us. May God wrap his arms around your family and cover them in His love and strength and peace and blessings. I'll see ya later.*

“ Dear Johnson Family,

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.
