Even when I got my own family, she was their buying for them. I am thankful for the time that God let her be here with this family. Heart is heavy, but I know that God is good. My heart is with the rest of the family. Love you all, Auntie Elly*

*Along with Elestine, I am lost for words to express the loss of my two sisters in such a short time. Laverta and Alma, and my mother Katie were the strong women responsible for my upbringing. The Mobley family, was my family. Time cannot erase the bonds nor the memories we have. Those memories will carry us through now and always. I send you love and prayers.

“ Dear Mobley Family,

There are few things more difficult than dealing with the loss of a loved one. We, along with our staff, are honored and humbled that you have chosen our family to care for your family during this time. It is our hope that we have been able, in some small way, to lighten your burden and give proper reverence to a life lived. Please let us know if we can be of further service.
